One Wish

Hi, my username as you've probably already guessed is fantasypall115 and my guess is you probably already know what type of story this is because of the name, right? Ha, lol oh wellâ€¦;). This is my story idea that I've had for a while and I hope you guys/girls all like it, if you don't oh well, I guess. It's called **One Wish. ****P.S****. I own neither H2O nor Twilight those those do not belong to me. Twilight belongs to Stephanie Meyer and H2O belongs to Nickelodeon. Thank you for reading.**

Summary:

When Cleo Sertori moved to Forks, Washington with her family she had a feeling it was going to be a wild ride. Okayâ€¦ more than a feeling, I mean, come on, the girl turns into a mermaid if so much as one drop touches her skin and she's going to the rainiest place in the U.S. But still, she never would have thought, never dreamed she'd find what she did there.

Prologue:

Cleo didn't know why, but as she looked as those around her she felt as she was finally homeâ€¦ Even if some of the people around her were looking back at her as if she was one of the most interesting thingsâ€¦

So, what do you think? **_PLEASE REVIEW.**_
